

Edinburgh Eco-Congregation Network

A Walk in the Park

A Ranger led walk – an opportunity to enjoy nature on our doorstep and spend some time chatting together as we walk.

Wednesday 19th June
5.45 – 7.30pm

Meet at Holyrood Park Information Centre
*(located on the last bend of Horse Wynd before it reaches
Queens Drive. Bus number 36 stops nearby)*

NB Sensible footwear required and the walk will involve some up-hill (although we will be avoiding the steepest paths). Take warm, waterproof clothing with long sleeves to protect the skin, sun-screen, a sun hat and a water bottle.

Please email cjlongley@btinternet.com if you or members of your congregation would like to come along.
