# Before you put it out... can we pick it up?

Furniture and household goods can be re-used by local community organisations benefiting the environment and helping local people.

We will come and collect your unwanted items  
and pass them on to someone else who needs them.

**To donate your unwanted items, or for advice and information,  
call the National re-use phone line on 0800 0665 820**

# What bulky items can we collect?

Bulky items are large unwanted things such as furniture and electrical goods that you would struggle to fit into your bin or car.

Something that you don't want anymore can still be used by someone else.

The benefits of reuse:

- You can help your local community, especially those in need, to buy items at an affordable price
- You can give items you no longer want and know they will be appreciated by someone else
- You can help protect the environment as re-using items reduces the amount of waste we send to landfill
