Eco-Congregation Scotland Glasgow Network

What's it all about?

An evening when you can come along and ask questions about joining the eco-congregation movement (it's easy!). Hear what other congregations are doing and the help and resources out there to help you and your church care better for creation.

Wednesday 24th September 2014 7.30 – 9.00pm

St Mary's Parish Church, Cowgate, Kirkintilloch Glasgow G66 1JT

All very welcome!
