Fife Pilgrim Way Consultation Events

The Fife Pilgrim Way is an exciting new long distance walk under development, following in the footsteps of medieval pilgrims through the heart of Fife.

We warmly welcome the input of local communities to help us shape the project.

Would you, your community group or local church like to get involved?

Can you tell us more about Fife's pilgrim past?

For more information visit www.fifecoastandcountrysidetrust.co.uk or come and talk to us at one of our drop in events on the route
