INTRODUCTION: The meeting was opened with a warm welcome from Gill Redman of Holburn West Church and she followed this with a prayer. She introduced the speaker, Rev Trevor Jamison, the new chaplain for o Congregation Scotland.

TALK: Trevor introduced himself to those present and each person did likewise. Trevor explained that his talk would be entitled The Theatre of God's Glory – Resources for Worship that's Grounded in God's Creation. To illustrate the talk, Trevor used a Powerpoint Presentation. The talk was divided into four sections – Worship – why, when, where and how. Trevor talked about each section, giving background, texts, ideas and thought provoking theories. We also prayed together and sang together.

The talk was followed by a question and answer discussion. It was apparent that those present were caught up in Trevor's enthusiasm and discussions about ideas and opinions continued to be discussed over a welcome cup of tea or coffee. Trevor had prepared a resources handout (attached with these notes) for everyone.

Bill Craigie thanked Trevor for coming along and addressing the group.

The meeting drew to a close.

#### Addendum 1

As Eco Chaplain Trevor would happily make himself available to preach to churches in the Network area. Ideally he would then host a related discussion in the afternoon - justifying his "away day".

#### Addendum 2

Future meetings of the Network group will be arranged in due course and dates and topics sent out to members by email.
