

**Rebuilding our Common Home**

Eco-Congregations Scotland

## Our work

---

We help families in poor countries to live in peace, learn new skills and free themselves from hunger and poverty.

We also help people to recover when disaster strikes.

## We're part of the Caritas family

We're proud to be part of Caritas International, the Catholic Church's international network of charities in over 200 countries.

## Scottish Parliament elections

---

- The next group of MSPs will be elected to serve in a changed world.
- The pandemic has redefined what is politically possible.
- Encourage Christians to engage in the election at a deeper level.

### Rebuilding our common home

1. Transform Scotland to meet our target of a 75% cut in emissions by 2030
2. Boost the Climate Justice Fund
3. Hear the voices of communities most affected by climate change
4. Wellbeing and Sustainable Development (Scotland) Bill
5. Maintain International Development funding

- Opportunities to engage with communities across Scotland on climate issues.
- Opportunities to engage with the Church.
